Introduction

ABOUT THE RESOURCE CENTER

The Resource Center (RC), California Department of Alcohol and Drug Programs (ADP), maintains a comprehensive collection of alcohol, tobacco, and other drug (ATOD) prevention and treatment information. This information is provided to California residents at no cost through a Clearinghouse, a full-service Library, Internet communication links, and a telephone information and referral system. Services can be accessed by letter, fax, Internet, e-mail, telephone, or in person during the business hours of 8:00 a.m. to 4:30 p.m., Monday through Friday, excluding state holidays.

Following are brief descriptions of RC services:

CLEARINGHOUSE

More than 600 ATOD booklets, pamphlets, research papers, posters, technical manuals, and other printed materials are available upon request. The Clearinghouse not only provides information on an individual basis, but also provides materials for community meetings, conferences, workshops, schools, and prevention and treatment facilities. A Publications Catalog of print materials can be ordered through the RC Clearinghouse (Publication No. 3493).

LIBRARY

The RC Library maintains a collection of specialized alcohol and other drug reference sources including books, journals, reports, and audiovisual materials. These materials are available for loan directly to government agencies and organizations funded through county alcohol and drug programs, as well as through lending libraries.

INFORMATION, REFERRAL, AND ELECTRONIC COMMUNICATION

Two free statewide telephone numbers (1-800-879-2772) and (1-800-662-4357) are available for California residents to use in searching for treatment referral or prevention and treatment information. A long distance telephone service is also available at (916) 327-3728 and a TTY number at (916) 445-1942. **The Resource Center does NOT provide emergency information and does NOT operate a crisis line.**

Through an extension of ADP's home page (www.adp.ca.gov), the RC maintains a number of electronic communication links. The Publications Catalog and Videocassette Catalog are available for viewing and can be downloaded in PDF format at http://www.adp.ca.gov/rc/rc_sub.shtml. A browse and search feature is also available for the Publications Catalog.
